

# **Pipeline CSI**

## **Compliance Surveillance Initiative**

## **Pipeline Air Force Drone Training**

[Friends of Nelson](#) and the [Allegheny-Blue Ridge Alliance](#) are excited to announce the date of our first Pipeline Compliance Surveillance Initiative (CSI) aerial monitoring training on **Saturday, April 28**, from 12:00pm - 4:00pm at the [Rockfish Valley Community Center](#) (click for directions).

If you haven't already, please sign up for the training using our Pipeline Air Force form here:

This training will introduce volunteers to the use of unmanned aerial vehicles (UAVs), or **drones**, in monitoring construction and preconstruction activities of the fracked gas pipelines that threaten our communities.

The CSI will have two DJI Mavic Pro drones present for demonstration; *If you own or have access to your own drone, please bring it with you!*

There will be an indoor classroom-style presentation in the Rockfish Lounge followed by a flight and mapping mission demonstration in the field outside.
